I am new to boating. Can you teach me?

Yes. The majority of our members are new to boating when they join. Included in your membership fee is a comprehensive practical course on boat handling and familiarisation, conducted by experienced instructors.

How often can I use the boats?

Members are entitled to use the Ausboating boats for up to 30 days per year, during their membership year.

What happens in the case of bad weather?

If bad weather prevents you from taking your planned cruise, you can defer to an alternative date, subject to availability and conditions.

What happens if I cancel a booked day out?

You can defer your cruise to an alternative date, subject to availability and conditions.

Can I take the boat out overnight?

Our boats are not suited for overnight stays. Daylight hours only.

What happens if the boat I have booked is out of service?

Ausboating will, at its sole discretion, offer you the use of an alternative vessel.

Where can I see the boats

You can view the boats in detail by appointment at Ausboating Toronto NSW, or by visiting www.ausboating.com.au
